increased rates of pay according to the new scale from the dates previous to that of Government Proceedings on which the increments became due, or whether they are to draw the increments only from the date of the order.

The periods for increments for the Regimental and other officers being reduced from 5 Years and 4 Years to 3 Years in all cases, it follows that some officers who are not qualified as regard service required for the increment under the old Scale, would under the new scale complete the required term long before the date on which the Government Proceedings above alluded to, was passed.

I have the honor to be,

Sir,

Your most Obedient Servant,
